LOGISTIC SERVICES

AREA OF BUSINESS

Sodimax is an international freight forwarder founded in Genoa in 2005, operating in the field of sea, air and land freight to and from destinations worldwide. With long-standing ties to West Africa, as evidenced by the presence of Sodimax Senegal in Dakar and Sodimax Afrique in Abidjan, Sodimax has undergone a gradual process of internationalization over the years, leading it to establish a presence in all the main import/export markets to and from Italy, as well as in the sector of international freight services. Furthermore, thanks to its affiliation with international networks, Sodimax can guarantee effective coverage in all the world's major ports. In partnership with one of the leading NVOCCs for groupage cargo, the company operates in Senegal and Côte d'Ivoire with bonded warehouses.

MAIN ACTIVITIES

- Sea, air and land transport, covering both full container load (FCL) and less than container load (LCL).
- Capacity to handle project cargo thanks to a dedicated office.
- Cold chain logistics management.

MAIN OBJECTIVES

To support importers and exporters in managing their supplies and logistics chain.
